RCHS Fishing Team has many accomplishments

The Rockcastle Fishing Team's season is coming to a close and the team should be recognized for all their accomplishments.

The season began in September of 2012 and, since that time, the team has fished in one or two tournaments each month with the team receiving trophies in each tournament in which they participated.

The most recent tournaments were on April 6th and 7th. The April 6th tournament, held on Lake Cumberland, was the Kentucky Bass Federation and The Bass Federal National Guard Junior World Championship tournament. Four student athletes participated and Tate Clements and Gage Reynolds will advance to the state tournament, a two-day event, with the top angler advancing on to the TBF, FLW Forrest Wood Cup Championship. Educational scholarships will be awarded at this event and both events will be televised on ESPN2. Good job and good luck to these student anglers.

On April 7th, the team participated in their first high school fishing regional tournament. There were teams from all over the state participating in the tournament which was held on Lake Cumberland.

Eight local students participated and Gage Reynolds and Carter Blanton with Coach Nelson Bond, placed 4th. They will advance on to the state tournament.

Devin Poynter and Ben Allen, with Coach Dwight Poynter, placed 18th in this tournament.

Congratulations to both teams and good luck to Gage and Carter in their upcoming tournament.

Thanks are due Barry Noble and Rockcastle County Schools for their support and, of course, a special thanks to our many sponsors. Without their support, none of this would have been possible.

2012 team members are: Ricky Harris, Tate Clements. Ben Allen, Devin Poynter, Gage Reynolds, Carter Blanton, Douglas Nicely, Brooklyn Bishop and Cody Brown. Coach/Captains: Dwight Poynter, Nelson Bond, Jerry Carter, Bobby Bishop, Iona Harris and Advisor/Director Doug Clements.

If you are interested in joining the fishing club, please attend our next meeting at Lake Linville Boat Dock on May 4th from 7 a.m. to 8 a.m. All information for participation and requirements for club membership will be discussed.
