Singing
Climax Holiness Church will be having a singing March 18th at 7 p.m. featuring Vernon Doan and singers. Pastor Tim Hampton and church welcomes everyone.

Drifter or Seeker?
Flocks are being fed the opinions of men. This diet does not satisfy because men instinctively listen for a voice that will speak to them with authority in matters of religion and for this reason, some have drifted away from the church entirely. Others seek churches where this voice is still heard.

We have experienced the authority of God as I can see on the set of spark plugs. You've given me, let me be willing to turn in my old model for the new one I'll be getting on the other side. I'm gonna let YOU do the shifting, Lord. The days are plumb too fast for me.

Any kindness that I can show to any fellow creature, let me do it now.
— Etienne de Cretlet

OUR FAITH ADVISES US TO AVOID UNWARRANTED CONCLUSIONS

Some misconceptions will arise
From trusting in illusions,
So people get their exercise
By jumping to conclusions;
And from the way these things appear,
This saying came to be:
Don't count on anything you hear,
Nor half of what you see.
Now though someone has been inclined
Toward detrimental acts,
Just try to keep an open mind
Until you know the facts;
But though appearances deceive,
Your faith can be restored;
Through all the things you CAN believe,
By trusting in the Lord.

—Gloria Nowak

AN OLD-TIMER'S PRAYER

Lord, I've been just a sinner; have I been thinking about how much my life is like my old car out there in the shed that sometimes needs the master mechanic to pull it into the garage and give it an overhauling?

Lord, I want the headlights of my body and soul to keep pointing out the clear road; and if they get dirty, I want you to take out your big handkerchief and wipe 'em off, so I can get back on the right road.

Help those things called the oil and oil filter to keep the particles of bad thoughts out of my system and keep my ideas clean and pure, so I won't have any little specks that keep me from working smoothly.

I need oil to wash everything and keep it lubricated, so I can function just like you'd want. Keep the Holy Spirit a-givin' me help all the time.

Then Lord, there seems to be trouble of sometimes a-blowin' my horn at the wrong time. I sure could use a control button on this.

Keep the preacher a-puttin' in the high octane, and even though I don't like the price of the gasoline, keep me a-chuggin' along and pullin' into the station.

And you know, Lord, some of my Christian friends seem to have lost that Cadillac smile I've given them, and they look like the front of my old Nash. The world's just a-waitin' for that little bit-o-rustiness in a smile. Help us all to share it.

And Lord, when my fuel pump finally wears out and I've gone as far as I can on the set of spark plugs. You've given me, let me be willing to turn in my old model for the new one I'll be getting on the other side. I'm gonna let YOU do the shifting, Lord. The days are plumb too fast for me.

Amos.
