Drifter or Seeker?

Flocks are being fed the opinions of men. This does not satisfy because men instinctively listen for a voice that will speak to them with authority in matters of religion and for this reason, some have drifted away from the church entirely. Others seek churches where this voice is still heard.

We have experienced the authoritative preaching of FPC (Free Presbyterian) in Pennsylvania and South Carolina obviously not driving distance so would like to establish one here in Kentucky. Free

sample of their messages are available by calling me at 758-4544 or try <http://www.freepres.org>

OUR GREATEST LEADERS PRAYED TO GOD FOR GUIDANCE

From the beginning, we have assigned our leaders the awesome task of guiding our nation through the storms of war, economic crisis and social conflict. Some of them were undoubtedly better at it than others, and all of them were a mixture of virtues and weaknesses. Nonetheless, they had one thing in common. They all prayed for God's guidance whenever they had to make a major decision that would affect our destiny. That was the secret of their greatness, they had the humility to rely on a higher source of wisdom. Those of us who don't bear that much responsibility would still do well to follow their example and go to our House of Worship, to seek the best advice for the well-being of ourselves and our families.
