He Only Takes The Best

God saw she was getting tired, And a cure was not to be. So he put his arms around her, And whispered, "Come to me." With tear-filled eyes we watched Her suffer and fade away. Although we loved her deeply, We could not make her stay. A golden heart stopped beating, Hard working hands put to rest. God broke our hearts to prove to us He only takes the best.

### In Loving Memory

In Memory of Mama & Daddy

My Mama's birthday was the 10th of

April

And she celebrated, I am sure.

Because she had her companion with

her,

The one that loved her dear.

We lost our Daddy the 13th of last

May,

And after five years of loneliness,

He rejoined Mama I'd say.

The six of us that were left,

Have all felt the loss I guess,

We've never all been together though,

Since Daddy was called to rest.

They cannot worry about us now,

Because it's not meant to be.

There's only Love and Happiness,

In that Grande Place, you see.

The weather is always good there,

And their smiles don't make them

tired.

Without a limp or hardship breath-

ing, I know they're happier by far.

I'll keep you both beside me,

As I think of you each day.

And I know what I do in life,

Is based on the way I was raised.

I know you're seeing clearly,

The things we do down here.

And I hope that we can someday,

Walk where there are no more tears.

I might not write another poem,

For the world to read,

But you won't be forgotten,

Because you planted some seed.

### "It is Written"

In Luke 8:5-11 we read, "A sower went out to sow his seed: and as he sowed, some fell by the way side, and it was trodden down, and the fowls of the air devoured it... Now the parable is this: The seed is the word of God." Vs.11. There is a very fundamental lesson we want to notice from this parable. You remember when God made the world, he said, "And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good." Gen.1:12. Seed produces after it's own kind: apple seeds produce apple trees, watermelon seed produce watermelons, corn seed produce corn, broccoli seed produces broccoli. Now if you plant bean seed, will it produce potatoes? Or if you plant squash seed will it produce watermelons? No, the seed will produce after it's kind. Now when the pure seed, the word of God is planted in the hearts of men, what will it produce? Only one thing, it will make a Christian! You see it takes the Bible plus the Methodist Discipline to make a Methodist; it takes the Bible plus Catholic Tradition to make a Roman Catholic; it takes the Bible plus Watchtower Publications to make a Jehovah's Witness; it takes the Bible plus the book of Mormon to make a Mormon; etc. You see, the seed produces after it's kind! Let Jesus speak about all these plantings: "Every plant, which my heavenly Father hath not planted, shall be rooted up."
