### First Baptist Church Renovation Project

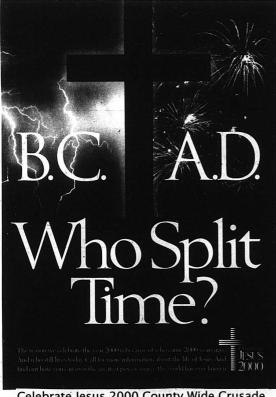

The First Baptist Church, Main and Craig Streets, Mt. Vernon, is renovating the main entrance to their worship center. The project includes the repair and preservation of the huge wooden columns at the entrance, and the replacement of the porch and steps leading into the church building. The front approach area, including the sidewalks, will also be renovated. Work on the project should be completed no later than Easter Sunday,

the sidewalks, will also be removated, root to the project of the April 23.

First Baptist Church was established in 1887, when the population of Mt. Vernon was just 400. The congregation met in the Rockcastle County Courthouse, and for a time in the Christian Church building. A structure was erected on Williams Street in 1897, but in 1929 the congregation moved to its present located. First Baptist Church est Bijshed missions at Gum Springs, Flat Gapt. Chesault Ridge, Sand Springs, Rounstone, Northside, Hummel Grove, and Well Hope, at least four of which became churches. At least 10 men have been
