Making a difference in patients' quality of life.

It's why you chose the nursing profession. And it's why our patients give us excellent ratings on our nursing care—far above national averages.

We currently have nursing positions available in our long-term ventilator care center. One of only five such facilities in the United States, we have earned respect for our innovative programs and high ventilator weaning rate.

If you are an RN, LPN, or a certified PCA looking for a pleasant, quality-focused hospital to be a part of, please call Betty Purcell, RN, Director of Nursing for a confidential interview.
