

Agricultural News

By: Warden Alexander, FSA Director

Tobacco Leasing

July 3rd is the final deadline to sign tobacco leases! Producers are reminded leases filed and/or on file in the county office must have all signatures (transferring and receiving farm) by the deadline to be approved. Leases with all signatures not obtained by the deadline shall be disapproved. If someone is growing your tobacco quota on a farm other than the farm the quota is established to remember, you MUST sign a lease in the county office by the deadline of July 3rd.

Farm Acreage Reports

Farm acreage reports of crops are now being taken for the current year. When all crops are planted, producers are encouraged to report all acreages of crops for history, disaster programs and loan deficiency programs. The final reporting date for all crops, except small grains and tobacco, is July 15th. Producers failing to file by the final reporting date will be charged a late fee.

Farm Changes

Producers who have purchased or sold land need to contact the local FSA office for proper reconstitution of farms. Farms enrolled with PFC

have until the deadline of June 1st to file for reconstitutions of farms. Farms not enrolled with PFC have until the deadline of July 1st. Remember to bring your deed and/or to notify the new owner to do so. Also notify this office of any and/or all address changes. REMEMBER: our records are only as current as producers inform our office.

Pasture Recovery Program (PRP) Signup

PRP signup period has been an awaiting the publication of PRP regulations in the Federal Register. These regulations were published on June 8, 2000.

PRP approvals cannot be issued or payments made until the signup is concluded and a determination is made whether a payment factor is applicable.

PRP will end on July 23, 2000. For this reason, PRP has extended until July 23, 2000. If you failed to sign up for this program in the first go round please come to the FSA office and sign up now. Request received after June 23rd cannot be approved.

Program (SIP)

Effective June 8, 2000, SIP applications shall be accepted by Service

Foresters and FSA County Offices during an established signup period ending no later than August 31, 2000. Producers interested in this type of forestry practice should contact the local FSA office during this time period for additional information.

FSA to Grant Relief on Drought: Hampton Henton, Jr., Ky. State Executive Director, has announced that authority has been granted by Larry Mitchell, Deputy Administrator, to grant partial relief to farmers previously determined ineligible for drought assistance. "Farmers that began work to clean out their ponds during the drought of 1999, prior to making an application for assistance, may now be eligible for assistance from FSA," Henton said.

The Kentucky FSA State Committee may now waive the prior approval rule for producers that meet all of the conditions as follows:

Library News

By Lynda Mullins

If you read the library news each week then you know that I gave birth to a baby girl on May 17th. We named her Hannah Margaret and she is doing well. Even though I am on maternity leave and very busy with the baby and my seven-year-old, I wanted to get the word out about the Summer Reading Program. I will however, keep it brief.

The Summer Reading Program begins June 26th and ends July 19th. Children and young people of all ages may sign up to be part of the program at the library NOW! Book logs, program bookmarks and informational brochures will be available starting June 26th.

Because of the generosity of some local businesses, we are able to add a special program this year that should appeal to many young people. To start the Summer Reading Program off we will be having a REPTILE SHOW on June 26th at 3:00. The show is presented by the Natural History Education Company and is designed to dispel the myths about this group of animals in a fun and safe way. Everyone is invited to watch and write down the date and time and bring the whole family.

Special arts and crafts programs will be available on July 5th and 12th as part of the Summer Reading Program. Program times are 1:00 for ages 7 and under, and 3:00 for ages 8 and up. Pick up a brochure at the library for specific information about each program activity.

Wednesday, July 19th at 3:00 is

The county was in a recognized severe drought prior to the date the work began.

When the silt was removed water became available within 72 hours

for the immediate needs of livestock to prevent further losses.

After silt removal, the eater impoundment reservoir provided a holding capacity for the water supplied by a spring or seep. Water hauled or pumped into the reservoir and used for the immediate needs of livestock.

The farmer filed a request with FSA with 15 days of the start of the signup period.

Farmers previously notified that they were not eligible for assistance under the EC7 practice should contact their local FSA office to determine if they now meet the eligibility criteria.

the final program of the summer. This is reward time for those of you who have been reading all summer! In addition to food, fun and games we will have a special visit by Ronald McDonald! Ronald is a regular visitor during the summer reading program and is always a favorite of children of all ages, so don't miss out, come in to the library, and sign up for the program or sign up over the phone at 256-2388. Also, don't forget to turn in your book logs by July 14th to be considered for prizes!

In closing, I want to thank the following businesses for their generosity and willingness to help in our efforts to provide quality library programs to young people in our county. Special thanks to Richmond Street Biscuits, Ford Brothers Realty, The Bank of Mt. Vernon, McDonald's and Renfro Valley Entertainment.

Please plan on being part of the Summer Reading Program this year, or at the very least plan to read one book this summer. You'll be glad you did!

The Family Room

By Dr. Don Whitehead

Verbal Abuse Causes Pain

Physical abuse is not the only kind of abuse. Verbal or emotional abuse can be just as devastating. The following poem was written by a victim of verbal abuse. For many years her husband treated her as if she were nothing. He was critical of her actions and called her derogatory names. Her writing illustrates the pain of abuse.

Why do you feel you have to step on me
And crush me like a little bug?
Can you see yourself putting your foot

On a roach or a spider
And twisting your shoe
Till the bug's smashed to smithereens?

That's how I feel:
Smashed and betrayed by the one person

Who should love me more than anyone
On this whole earth.
Can you see the loss of self-esteem?

Can you feel the crunch as you smash out my soul?

Does that give you pleasure to hurt me?

The pain is so great
It's hard to cry out and ask you to stop...

But it's too late.

I'm lying here crushed to death.

My life's gone... Destroyed.

WHY?

Just what was my great fault again?

That I'm a woman?

That I'm a Christian?

That I see things differently from

What?

That I wasn't what you thought you wanted?

Was I not good enough?

Smart enough?

Good-looking enough?

What could I have done to be what you wanted

And not lose me?

The first time I read this I was

moved by the pain that this woman felt and expressed so brilliantly.

She speaks for many others who have been hurt by the words of abuse. She speaks for the children who cannot defend themselves against the painful

barbs of parents who call them "stupid" and "good-for-nothing."

She speaks for the women who are hurt over and over again by the men in their lives with words too ugly to put on paper.

And she even speaks for men whose mothers and wives have stabbed them with verbal swords all their lives.

"What Is Written"

It seems that some in our world are never satisfied with God's order of things. There are many folk in our religious world that refuse to accept God's teachings about women's limitations in the church. Paul said in 1 Tim 2:11-12, "Let the woman learn in silence with all submission. But I suffer not a woman to teach, nor to usurp authority over the man, but to be in silence." And again in 1 Cor 14:34-35, "Let your women keep silence in the churches: for it is not permitted unto you to speak: but they are commanded to be under obedience, as also saith the Lord. And if they will learn any thing, let them ask their husbands at home: for it is a shame for women to speak in the church." There are people who promote the ideas of women preachers, women elders, women apostles. But God has forbade women from being in this role of leadership over men. Women can and should be active in the service of the Lord, but she cannot be in the leadership role. "But I would have you know, that the head of every man is Christ; and the head of the woman is the same, and the head of Christ is Christ." 1 Cor 11:3. Women are not more subhuman because of her submission to man; that Christ is subduing because of his subordination to the Father. Let us respect divine order in the church!

ATTENTION!!
Parents of students who were in 6th and 7th grade at Rockcastle County Middle School during the 1999-2000 School Year.

The Berea College GEAR UP Partnership is happy to announce three summer trips:

Thursday, July 20, 2000 - A day trip to The Cincinnati Museum Center and the Newport Aquarium.

Saturday, July 29, 2000 - A day trip to Oak Ridge, Tennessee, including a visit to American Museum of Science and Energy

Saturday and Sunday, August 5 and 6, 2000 - An overnight trip to the Louisville Science Center, the Derby Dinner Play House and a Louisville RiverBats baseball game.

We can take up to 40 people on each trip.

How much does it cost?

NOTHING! All transportation, meals, entrance fees and housing costs are paid for by the GEAR UP partnership.

Who Can Go?

Any Student who was a 6th or 7th grader at RCMS during the 1999-2000 school year and who will be attending RCMS next year. The parents of these students are also eligible.

How do I sign up?

All sixth and seventh grade students should have received information on these trips in the mail. However, due to a mix up, only half of each grade received the mailing. If you received the mailing, just complete the registration form and send it in. If you did not receive the mailing, please call Mary Jane Locklear at 859-985-3551 to request one. Leave a message if you can't reach Mary Jane on the phone. We will check the messages often. Please call as soon as you can!
