

Graves named Student of the Year & U.S. National Award winner

DeJon Graves, a seventh grade member of the RCMS Adventure's Team, was recently named "Student of the Year" for the Adventures Team. DeJon also won the following awards: Math, Writing, Music, Art, Social Studies and Science Fair. In addition, DeJon was on the honor roll every period and had a 4.0 average. DeJon also received a certificate for being in the Gifted Education Challenge Program. DeJon formerly attended Brohead Elementary School before entering RCMS as a sixth grader.

The United States Achievement Academy announced today that DeJon Graves of Brohead, has been named a United States National Award Winner in Leadership & Service, Mathematics and Science.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes fewer than 10% of all American high school students.

DeJon, who attends Rockcastle County Middle School, was nominated for this national award by Ms. Julie Coffey, a teacher at the school.

DeJon, will appear in the United States Achievement Academy Official Yearbook, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winner should be congratulated and appreciated for their dedication to excellence and achievement," said

Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusion recommendation of teachers, coaches, counselors, and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

DeJon is the son of Lajoy and Nelson Graves and the grandson of Alene and Preston Parrett and Charles Graves and the late Mary Graves, all of Brohead.

RCMS principal, John Hale, recently recognized State Farm Insurance for their continued support of the annual Reality Store. Tracy Johnson and Teresa Jackson helped out with this year's event. Community support is greatly appreciated and highly needed. Thanks State Farm! Below, parent volunteer, Brenda Click, was recognized last month for her continuous support. Mrs. Click was a great help to the staff and students at RCMS, not just during special events, but almost daily. RCMS was lucky to have such a dedicated parent this year.
