## CHILDREN SHOULD NEVER TAKE A VACATION FROM FAITH

For many children, school has been out for nearly a month now, but others are continuing their studies, whether it be in summer school or the relatively new year-round school. However, even they will have some time off, whenever the schedule permits. During that vacation period it is most important that they maintain that momentum of learning that they have built up during the regular school year. Besides the three Rs, this includes manners, discipline and respect for authority. Moreover, since the Sunday school is out for the summer, they should be taken to the House of Worship to remind them that their faith in God and let them know that He will protect them wherever they may be; whether at play or in the classroom.
