God's Garden
Written By Shirley Hopkins
God looked around his garden and he found an empty place.
He then looked down upon this earth and saw your tired face.
He put his arms around you and lifted you to rest.
God's garden must be beautiful, he always takes the best.
So he closed your weary eyelids and whispered,
Peace be Thine.
It broke our hearts to lose you, but you didn't go alone.
For to stand with you the day God called you home.
