

Tiger Pause

WELCOME BACK to all students and staff that are returning to BES for another great school year! A special welcome to all new students and staff that are with us for the first time. New staff here at Broadhead Elementary includes Mrs. Angela Adams, Mrs. Gina Bussell, Mrs. Greg Bullock, Mrs. Kelli Cromer, Mrs. Meg Keyton, Mrs. Kay Shaffer, Mrs. Marcie Lawrence and Mrs. Karen Wilson.

Your PTA Officers for the school year 2000-2001 are as follows: President, Carolyn Hunt; Vice President, Kristi Reynolds; Secretary, Tammy Gabbard and Treasurer, Jennifer Ponder.

PTA will be sponsoring an incentive program this year for BES students. Parents attending PTA functions, volunteering for PTA events, etc. will receive points for their child. Please remember that ALL volunteers are required to have a criminal record check on file before helping with any event. There is no cost to you. Please call Ms. Satika if you think you might be interested in helping out this year. It does take several weeks to get everything completed.

School pictures will be taken on Wednesday, August 30.

Parents we ask for your help with our student attendance this year. Please remember that school begins promptly at 8:00. Students that want to eat breakfast need to be here at 7:40. Please remember that with construction issues added throughout the year to the regular morning traffic a special effort on your part is required to have your child here on time. Leaving five minutes earlier can make a world of difference.

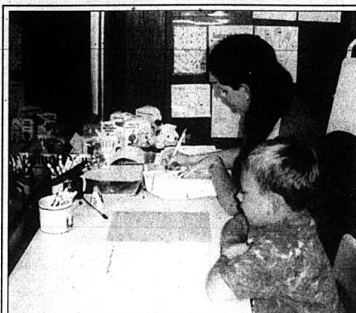

Just as a reminder, a student arriving after 8:00 a.m. or leaving before 3:05 will be marked tardy or absent. If your child is absent please call the school as soon as possible to let us know and remember to send a doctor's statement or written note with the child when he/she returns to school.

Let's all work together to make this a wonderful year for everyone! Remember that "Working Together Works!"

children. Select a variety of songs including ones that are short, long, soft, loud, fast and slow. 4. Encourage your children to put things away by providing space and directions.

Begin with one container and one toy. Eventually provide shelves and drawers for toy storage.

Thought for the week: If children live with encouragement, they learn confidence.

Reading Recovery teachers are working hard to test primary students' reading level. Ms. Sherry Cash is shown above working with one of our students.

Preschool students came to school on August 21st. They have enjoyed getting to know each other and touring the building. Pictured above is Ms. Larkey's a.m. class as they are meeting and greeting school personnel.

Mt. Vernon Message

Once again the halls of Mt. Vernon Elementary are buzzing with excitement as the children get back into the routine at school. This time of the year is very busy as teachers and students get to know one another and spend time in review to plan for the year ahead of them.

Open House was a huge success. We had many parents and students to attend. Thank you parents for your continued support.

School pictures will be taken on September 7. Mark your calendar so

that you don't forget to wear your favorite outfit.

The following tips were taken from Kentucky School Boards Association. Tips for parents to help kids learn. 1. Go for walks and talk about the many things you see, hear and smell. Use a stroller for the very young, but encourage walking as soon as the child is able. 2. Ensure that your children have all health needs met by providing immunizations, medical treatment as needed, and nutritious foods. 3. Sing with your

Entry Level students have enjoyed being at school this week, especially in music class. Pictured below is Mrs. Irene's a.m. class with Ms. Cornelius in the music room.

Minds in the Middle

School is off to a great start this year at RCMS! We have several students who have just moved into our district and our enrollment is more than it has ever been. Despite our

high enrollment, our attendance has been great. Thursday, for the first time in the history of RCMS, we had 100% attendance!

We will be sending home those 6th grade students who have not turned in immunizations and physical forms. If you are guilty of this, take care of it today!

This week, students will be bringing home a letter regarding the Governor's Kentucky Incentives For Prevention Project. This consists of a survey given to provide the school with information about students' use of tobacco, alcohol, and drugs. The survey is voluntary, confidential, and students will not put their names on the survey. Students and parents will be receiving more details about the survey. No permission forms need to be signed and nothing needs to be returned to the school unless a parent refuses to let their child participate. The information collected from this survey will help our staff with future planning.

The next SBDM council meeting is scheduled for Monday, August 28. We are pleased to have Ray Hensley and Brenda Click serving as our parent representatives this year. The teachers serving on our 2000-01 council are Mrs. Charlotte Bullock, Mrs. Tammy Miller, and Mrs. Terry Parkey.

This Friday, there will be an after school party from 3-5:00 p.m. This is our first dance of the year. Students must have permission from their team and a note from parents in order to stay. They should be picked up no later than 5:15. If students are not picked up on time, they will not be allowed to stay for future parties.

Girls basketball tryouts have just been completed. Those making the 8th grade team include: Johanna Abney, Tara Rowe, Katie Parsons, Heather Hammond, Holly Ann Colson, Leigh Ann Caldwell, Allie Mink, Ashley Bell, Gina McClure, Ashley Mize, Amanda Wright, Sarah Parsons, and Ashley Kimbrell. Playing for the 7th grade team are: Jessica Asher, Ashley Lunsford, Megan Andrikin, Tressie Robinson, Jessica Robinson, Heather Hopkins, Elizabeth Scarborough, Krystal Farthing, Rachel Killen, Holly Kidwell, Ashley Bullock, Neisha Taylor, Tasha Howard, Lara Cash, and Megan Griffin. The girls will have their first game this Thursday evening at RCMS against Lincoln County.

Our students enjoyed the GEAR UP kickoff program on Wednesday afternoon. We would like to thank the University of Kentucky Wildlife Museum for visiting with us. GEAR UP will also be sponsoring field trips this week. The 6th graders will visit the Kentucky Horse Park on Wednesday, the 7th graders on Thursday, and the 8th graders on Friday.

The staff would like to thank the Y-Club for the flowers they gave out on Thursday. Thanks also to Mr. Hale for the "Great Start" packets he gave to the staff Tuesday.
