Philip Morris U.S.A.

Tobacco Farmer Partnering Program

FINAL DAY SEPTEMBER 29!

The sign-up deadline is rapidly approaching for participation in Philip Morris U.S.A.'s Tobacco Farmer Partnering Burley Pilot Program. September 29 will be the final day to enter into agreements for the 2000 season.

Thousands of burley tobacco farmers in seven states already have signed agreements to sell Philip Morris U.S.A. more than 60 million pounds of burley tobacco through the Tobacco Farmer Partnering Burley Pilot Program. Growers range in size from under 100 pounds to more than 100,000 pounds, with 48 percent of the participants being small farmers who grow less than 5,000 pounds of tobacco.

Benefits of the Burley Pilot Program include:

- Purchase of entire crop (up to maximum allowable by the Federal Tobacco Program)
- Competitive prices
- Same day, on-site payment capability
- No warehousing or other fees (except those required by the Federal Tobacco Program or state law)

For information on how you can participate in the Burley Pilot Program, contact one of the agents listed below:
