Kentucky State Fair Location
The State Board of Agriculture
which recently purchased the Douglas
Park Jockey Club in Louisville for
permanent grounds for the Kentucky
State Fair, has not been able to close
negotiations. The Title company
employed to clear the title and guar-
antee it has found that part of the land
ought has been dedicated to public
use, and therefore, there may be some
trouble in closing the roadways. At
least there will be a delay of a few
months. In the meantime, the Board
has asked the owners of Douglas Park
to lease them the grounds for this
year's fair with the understanding that
soon as the title is cleared, the prop-
erty will be taken over by the State
Board, this, Mr. Cella, has declined

todo, it is understood, although there
is a probability of the matter being
adjusted within the next day or two.
The State Board is determined that it
will not take the property until the
title is perfect. This may mean that
the Fair this year will be held at
Churchill Downs where it was held
last year instead of on the home
grounds of the State Fair was hoped
(Note: the board on WAVE-TV on
8/25/2000 that the first Kentucky
State Fair was held in 1902 at
Churchill Downs). Under any circum-
stances, the Fair is certain to be held
at Louisville on the dates mentioned,
and we are asked by the State Fair
management to say to our readers
that the plans made for the State Fair
are maturing rapidly satisfactory, and
that they can assure every Kentuckian
that the fair will be the biggest one
ever held in the South in the way of
exhibits departments, in the way of
big amusement features, in the way
of music and in the way of atten-
dance.
