# Rockets vs. Jaguars

By Preston Parrett It was a beautiful fall night With a chill in the air, It was homecoming at the Rock As the Jags invaded their lair.

The crowd was all pumped up And the spirit line was deep. As the Jags won the toss And the ball decided to keep.

It was three and out for the Jags Opening up a chance for the Rock to Deuce Bussell caught the punt And over the goal line he tore.

The Jags tried their passing game But the Deuce was waiting there, And on the interception He went on a forty-seven yard scor-

Chris Parsons cranked up his engine And rolled over from the four, The Jags were falling behind As the Rock crowd let out a roar.

Deuce took a pass from Chris And over the goal line he scot While the Rock crowd Stood up and rooted.

Again the Jags had to punt And Deuce took it on the fly, While all the Jags defenders could do Was watch him streak on by.

At halftime the score was 34 to zip As homecoming ceremonies got un-

derway, And the Rock marching band and flag girls Put on a musical, marching and twirl-ing display.

The beautiful queen candidates were

introduced
And their beauty is renown
Chelsen Stratton was the top vote

getter .
And she gets to wear the homecoming queen crown.

# there, Personally I love their chili dogs Because they're beyond compare

The Jags and Rocks renewed their

battle
With Greg Harper coming through,
As a twelve yard run
Over the goal line he flew.

The Deuce got back in action As he scored on a 70 yard run, He zooms down the field Like he's been fired out of a gun.

Aaron Anderkin came through in the

fourth
And scored on a two yarder,
And the Rocks added another victory
To their well stocked victory larder.

Congrats to coaches, team and sup-porting cast You're really doing great, And that's the reason why You're ranked high in the state.

A special thanks to the Rocks in the trenches

A special trianks to the Rocks in the trenches
Who defend and open up the way.
You're a tough bunch of galoots
And you make the opponents dearly
