"We provide Quality Cars and Trucks"

Shoprite IGA

Charles and Debbie Haidge, owners of Shoprite in Brodhead, have announced that the store has converted to the IGA banner. IGA is the world's largest voluntary network of independent supermarkets.

The store is celebrating its IGA Grand Opening this week with great specials throughout the store.

The Haidges are making the change because IGA, which has 4,000 supermarkets in 40 countries around the globe and more than 1800 stores in the United States, will allow them to offer more to their customers.

"Although I am an independent business owner, joining IGA allows me to offer competitive pricing on the name brands my customers love, along with one of the best and largest store brands in the food industry - the IGA store brand," said Charles Haidge.

One thing that won't change at Shoprite is their commitment to customer service and value. "Our store remains independently owned and operated," Haidge said "and our customers will continue to enjoy the same services that have always been offered at Shoprite." The commitment to our customers and the community will only be further strengthened through our affiliation with IGA.

IGA promises that the IGA brand product line, which includes items in virtually every grocery aisle, are as good as or better than name brand products in terms of quality, and often at a fraction of the cost.

Shoprite IGA is located on Hwy. 150 in Brodhead and is open seven days a week 8 a.m. to 9 p.m.
