Marvin E. Owens Home for Funerals and Monuments

The Marvin E. Owens Home for Funerals and Monuments is Brodhead's only locally-owned and operated funeral home. Owners Marvin and Judy Owens know how difficult the passing of a loved one can be and they are sensitive to the every need of the families they serve.

Located on Main Street in Brodhead, the funeral home is housed in one of the county's most historic homes, which was built in the 1880s. The Owens purchased the property from the Ellen Brown family in 1996. They have restored and remodeled it into a prestigious home which provides for the needs of everyone, including the handicapped. The funeral home is the only one in the county that has everything on ground level, making it unnecessary for the use of handicapped ramps.

The funeral home also features a covered canopy and lighted parking. All funeral arrangements, embalming and casket selections are done on the premises.

Marvin E. Owens is a licensed funeral director and embalmer and Judy Owens is a licensed funeral director. The Owens invite everyone to stop by the funeral home to discuss pre-arranged funeral services and to tour their facility.

The Owens would like to remind families in the area that they can move their pre-arrangements from one funeral home to another.

As the Thanksgiving holiday approaches, the Owens wish to thank those families who have entrusted the care of their loved ones to the Marvin E. Owens Home for Funerals.
