Other classes will be added as we are made aware of needs in the community that we can assist in meeting. If you would like to attend a class, or if you have a suggestion for classes to offer, please contact Anthony Coffey or Terry Parkey at Rockcastle County Middle School at (606) 256-5118

21st Century Community Learning Center Community Interest Survey

A part of the 21st Century Community Learning Center is to provide community education classes for community members. Would you please take a few minutes of your time to complete the following survey? Your responses will help us determine what classes to offer and the best time to offer these classes. Thank you very much for your time!

- 1 We want these community education classes to be as convenient to you as possible. These classes will take place in the evenings. Please check the days of the week that would be better for you to attend. Please place a 1 by the best day for you to attend, place a 2 for the next best day for you to attend, and so on.

Monday Tuesday Wednesday Thursday

- 2 We also need to know what time of day would be more convenient for you. These classes will take place in the evenings, 3:00-8:00, and will be approximately 2-3 hours in length. What would be the best time, between 3:00-8:00, for you to attend?

- 3 If you were to participate in these classes, would you be in need of child care? Please circle an option. YES NO

- 4 The Center will be providing telecommunications and technology classes. Participants will receive "hands-on" training in a computer lab. Please place a check mark by the computer classes you would be interested in participating in. You can choose more than one.
