

Lady Rockets win three in Berea tournament

The Lady Rockets put together their best ever Berea Invitational Tournament with a first-time appearance in the finals of their bracket. Unfortunately, it was their only weak showing of the tournament and they fell to Garrard Co. 40-29.

Junior Amber Denney, who led her team in scoring in their final tournament game with 10 points, was named to the All-Tournament Team.

After beating West Jessamine 53-30 in the opening game, the rockets took on the Johnson Central Lady Eagles on Wednesday and it was a raucous affair from the outset.

For the Rockets, it was their best first half of basketball of the season. The tenacious full court press sparked a hustling defense that completely befuddled the Lady Eagles and kept them off balance.

The Rockets were ahead at the end of the first quarter 13-11 but, in the second quarter, they really turned up the pressure. Sophomore Ashley Mink got the Rockets first score of the period, senior Jessie Rickles and sophomore Jessie Hayes combined for 13 points and Amber Falin added a free throw to give the Rockets a 29-19 half time bulge.

The Rockets intensity slipped somewhat in the third quarter as the Lady Eagles, with a lot of help from the least one of the striped shirts, outscored the Rockets 14-5. Senior Rachelle Hammond was the only Rocket to score in the period.

Falin, who led the Rockets in rebounds in the game with 11, got the first bucket of the fourth quarter for her team but it was in this quarter especially that the Rockets had to feel they were playing a seven-man squad. Falin was driving the baseline, after her original defender had had to switch on a screen when a five second call was made. Rickles got a five second call although her defender was being very aggressive to put it politely.

The Rockets lost Hammond at the 2:42 mark of the fourth quarter to fouls and then Rickles, with 1:30 left to play, was tagged with her 5th offense. The Eagles had pulled to

"Home" is so special. Maybe 'cause the very sound Can make me think of happy days and loved ones gathered 'round. Or maybe it's the tenderness. And warmth that I recall. Or the understanding that I found For problems large or small. But no matter what the reason "Home" is always sure to be A special place I cherish, In my heart and memory. Donna

"What Is Written"

In Matt 4:4 in Jesus' response to the temptation of the devil, said, "It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Let's notice a few points from this text.

First, there is more to life than physical things. Yes, we need bread (i.e. food) to sustain the body, but man is more than flesh. We have an inward man, the part of man that is made in the image of God. Gen 1:26. The soul cannot be fed with physical food. No, it is the word of God that feeds the soul, the inward man. Yes, there is more to life than the belly.

Secondly, the scriptures proceed from the mouth of God. "This affirms inspiration of the Bible. All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works." 2 Tim 3:16-17

And lastly, we need every word that proceeds from the mouth of God. Far too many people want to pick and choose the words they want to hear from God. Selectively choosing the parts they like, and ignoring the parts that may "step on their toes." Let us take all the Bible and rightly divide it, We Tim 2:15, and when word of God speaks to our lives, "if the shoe fits, wear it!" It will make us better.
