Do You Need Prayers for Healing?

Rev. Dr. James A. McGee will lay hands on your letter and pray for your need to be healed. If you believe God and have faith in His healing power to heal you, you will get a healing.

I myself am living proof that the Holy Spirit heals by faith, during my ministry. I have seen many many amazing miracles including a few of my own.

I do not charge for my laying hands and prayers. But, if you can plant a seed for your needs into the building up of my ministry, it will be greatly appreciated. Malachi 3:10-11 says "Bring all the tithes into the storehouse, and I will open up the windows of heaven and pour you out a blessing, you will not have room to receive it."

I'm not charging for my prayers, but any gift to God you would like to give will be greatly appreciated for support of my ministry: DO NOT send money if it takes money away from your table.

I will gladly lay hands and pray for your needs even if you cannot afford a donation. Write to:
