

# Movin' on up

What do you think the world will be like when you are a senior in high school?

"They'll probably make some kind of thing that flies around not too far from the ground."  
Hannah Ponder, 4th grade  
Roundstone Elem.

"People will be crazy and you'll be able to do whatever you want."  
Ashton Arvin, 1st grade  
Mt. Vernon Elem.

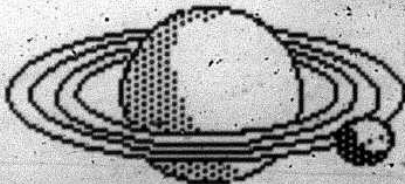

"There'll be lots of computers."  
Kristin Abney, 2nd grade  
Brothead Elem.

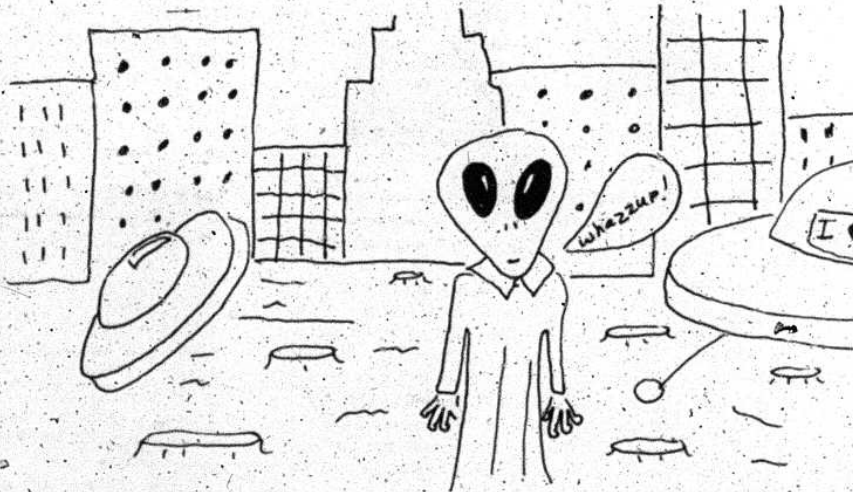

"We'll be flying around in spaceships."  
Cole Abney, 3rd grade  
Roundstone Elem.

"We'll drive around in spaceships...but we won't live in them."  
Kelsey Mattingly, preschool  
Mt. Vernon Elem.

Elementary and high school  
for the millennium or what the

## It Rocks...

- ~ Endless snow days for Eastern Kentucky students!
- ~ Being able to talk to all your friends on AOL!
- ~ Getting your music free on the web (at least until they shut down Napster!)
- ~ Cafeteria advances...a.k.a Trix yogurt and new vending machines!
- ~ Being sent a Love Note in *The Rocket* by your sweetie for Valentine's Day.
- ~ More fuel efficient vehicles, McDonald's \$1 Tuesdays, and bargain shopping!

## It Reek

- ~ Endless snow days for
- ~ Getting IM'ed by ALL
- ~ Getting knocked off the music!
- ~ Every vending machine your favorite drink!
- ~ Your sweetie forgettin sending a Love Note to
- ~ Higher gas prices, gre period...even for barg

So, you think you're a time trivia w
