CHARMED FLIGHT

Major Gen. Charles F. Bolden (left in left photo), commanding general of the 3rd Marine Aircraft Wing, presented the Chief of Naval Operations Safety Award to Lt. Col. David Hunt, commanding officer of the Marine Attack Squadron 513, a Harrier squadron at Marine Corps Air Station Yuma. This is the third consecutive year that the squadron has won the honor. John Valovich (middle), Boeing customer relations representative for Marine West, presented a second award to Hunt in recognition of the squadron logging 40,000 hours of flight time without an accident resulting in more than \$1 million in damage, or in a fatality. Squadron 513 exceeded the 40,000-hour mark in April and leads the Marine Corps' eight Harrier squadrons in this category.
