Brianfield Cemetery

The Old Brianfield Cemetery at Onondaga belongs to the Robinson heirs. We all agreed for the markers and headstones to be taken up that has no one buried there. We want the holes filled up with dirt when you take them up. This is just not right for this to happen. It has always been first

come first serve. This cemetery will always be for loved ones to be buried there. We want the cemetery like it has always been all these years. You have until April 30, 2001 to take the markers up that takes up empty spaces.
