In Loving Memories

In Memory of Our Beloved Son,
Bobby Joe Hansel
May 13, 1960-April 21, 1993
To hear your voice,
To see you smile,
To sit and talk with you a while,
To get together in the same old way
Would be my dearest wish today.
If tears could build a stairway
If memories could build a land,
I would walk right up to heaven
Just to see you smile again.
Sadly missed by:
Dad, Mom and Family.

soon will be with you in Heaven there to stay. I know you can't hear me when I call your name. But God will see there with you and comfort all your pain.
Your wife,
Charlene

In Memory of Mildred Ann Bullock

Although many years have passed since you went away, we still miss you more and more each day.

I know in each one's life there are times of heartache, grief and fears there are times of laughter and days of tears and there are painful things that make the tears begin to flow. It's times like these that I try to begin to think of all the funny things you used to say and do and in these times I can see your beautiful face and the smile you always wore. I can vision how you always did a funny little shuffle of your feet as you came through the kitchen door.

So as the memories of you go running through my mind I find each one is more dear to my heart than the one before. I know someday we will know why you had to leave so fast, when God reveals all things to us at last.

But until then wait for us just inside heaven's gate for we will soon be coming home to be with you again.
Deeply loved & sadly missed by:
Mom, Dad, Sisters & Brothers

In Memory of Lin Reynolds, who passed away three years ago, April 19, 2001

Three years have come and gone since you went to your new home. The day you left you didn't have time to say goodbye you just closed your eyes and you were gone. Now your eyes are not filled with tears and you want I want to hurt anyone you are just there with Jesus in your brand new home. The rain is like the tear drop that fall on your grave, there coming down from heaven when you are there to stay. I know you are not lonely and I know you are not sad and I know you are not here with me. When I get so sick or sad I know you are, in the arms of Jesus and that's what makes me glad. You were a precious husband and a good father to, but you can't be here with us. But we can come to you, if we live a good life and serve the Lord each day, we

Thank You

To Livingston and Mt. Vernon Fire Departments

Two weeks ago, on April 2nd our log home caught on fire. Had it not been for the hard work of the Livingston and Mt. Vernon volunteer fire departments we could have lost everything. When they thought the house could not be saved, they went in and took all our pictures off the wall and brought out some very important irreplaceable items.

Later they were able to put just the

fire and save our home. We are very grateful to them and feel they do not get the recognition they deserve. So to every member of the Livingston and Mt. Vernon volunteer fire departments we would like to say thank you from the bottom of our hearts. We would also like to thank everyone in the community and all the employees and staff at Rockcastle Manufacturing for their support and generosity. It is greatly appreciated.
