Mount Vernon Signal

Serving Rockcastle County Since 1887

Mount Vernon, Kentucky 40456 - Volume 114 - Number 44 - Ph. (606) 256-2244 - .50 a copy - Thursday, August 9, 2001

Flash flooding caused a lot of damage in the Brodhead area on Friday morning. Rose's One Stop and Adams Feed and Supply were heavily damaged by the

flooding. It was estimated that five inches of rain fell in a one hour period.

Roses, Adams Feed damaged

Brodhead area hit hard by flooding

By: Richard Anderkin The Brodhead area of Rockcastle County was hit hard by flooding last riday morning when an estimated tye inches of rain fell in about an

hour.
Rose's One Stop Grocery and
Restaurant on Hwy. 150 was closed
four days because of the flooding.
Mrs. Bonnie Rose, who owns and
operates the store with her husband
Luther, said that at one point two feet
of water stood in their grocery and
restaurant.

of water stood in the green restaurant.

The store re-opened on Tuesday, after four days of cleaning up after the flood.

Mrs. Rose said that their restaurant will re-open on Thursday (to-day)

day).

The flooding at Rose's caught the attention of Lexington television stations and CNN and the Weather Chandra at the sale of the sal

nel also carried stories about the flood-ing, which featured the flood damage

ing which featured the flood damage at Roses.

Mrs. Rose would not put a dollar figure on the damage, but said Wednesday that at this point, all of the equipment, including the gas pumps were operating.

However, the Roses lost a lot of inventory in the flood and had no flood insurance.

A building next door to the greery and owned by the Roses was also damaged by the flooding and clean up on that building had began on Wednesday.

Newhard Construction Company.

was called in to move the mud generated by the flood from Rose's parking lot back into Dix River. Rockcastle weatherman Bud Cox said that only three inches of rain was

recorded at the weather station. Fri-day morning and that the ewere only a few reports of flooding in the Mt. Vernon area.

a new reports of Hooding in the Mt.
Vermon area.
Mrs. Rose said that her family
would like to thank the many volun-teers who helped them elean up after
the flood.
"We really appreciate everything
everyone has done for us," said Mrs.
Rose.

Rose:
Adams Feed and Supply, which is located at the junction of Hwy. 70 and Hwy. 150 was also heavily damaged by the flooding.
Janet Adams, who owns the feed that the mill-was not back in full operation until late Tuesday.

operation until late Tuesday.

The Adams lost a load of com, damage was done to the grinder and motors at the feed mill and the truck scales which consist of cross ties was completely washed away.

Some of the cross tries washed against a guardatil in front of the feed mill and some of the other tires were found on Bobby Bishiop Sr.'s farm, several hundred yards from the mill.

"We are still estimating what is is going to ofst us - but it is going to be several thousands of dollars," Mrs. Adams said.
