Lately, it was said in post pa depression a lot of her time spent. We read the stories printed for the

next few days And, "Now, wasn't that just horrible?" Is what most people will say.

Then, after a while the news just seems to die down and fade into the past.

What would these little children say if they could speak in their bealf.

Would shey say, "You can't help us on earth anymore.

But, please help those children who haven't yet passed through heaven's doors.

One of God's Ten Commandments says, "Thou shalt not kill." And those words from the Bible are very real. The breath of life God gave us on our birthing day Man does not have the authority to take away.
