

Mt. Vernon Message

Students at MVES have participated in the Kentucky Kids Care project in which they were encouraged to do chores at home and earn one dollar. Students were to bring in their money and donate it to the American Red Cross to assist in relief efforts. MVES' current enrollment is 711 and students raised \$1417.90. Vanda Dalton, Red Cross representative came to receive the check. Some of our students who participated in donations are pictured. Zachariah Mitchell worked various jobs for his neighbors, earned \$10 and donated it. Zachary Reams brought in two cans of change that amounted to \$58.03. Daniel Robbins' church donated over \$300. A special

thanks goes to all the students who participated in this project.
