"What Saith the Scriptures"

One of the important topics in the word of God is the subject of the nature of man. In 1 Thessalonians 5:23 we read, "And the very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ." Notice that Paul describes 3 parts of man: spirit, soul, and body.

Man's body is made from the dust of the ground. In Genesis 2:7 we read, "And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." We are made from the common elements that come from the earth. The word "formed" suggests the idea of a potter squeezing and shaping clay to make a pot or sculpture. Even so God formed Adam's body from the earth. God took the dust of the ground, adding about 3 parts water (we are about 75% water) and formed man. The body we live in now is mortal, that is, it is subject to death. And back to the earth our bodies will return, "Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it." Eccl. 12:7. Next, time we shall focus our study on the soul.
