Low-Income Home Heating Program

The cost of home heating is a problem for many low-income Kentuckians.

Your Community Action Agency, Daniel Boone Development Council, Inc. may be able to help. If you live in Rockcastle Co., apply at the DBDC Outreach Center located at Ashlee's House in Mt. Vernon for the Home Energy Assistance Program (HEAP). Applications will be taken by the last name of the head of the household from November 5 through December 13, 2001. See the list below for your assigned day.

Bring with you (1) Social Security numbers for everyone living in the household; (2) Proof of your household's income for the preceding month; (3) Your most recent heating bills or verification from your landlord that the heating expenses are included in your rent. All eligible households that apply will receive assistance. Liquid resources cannot be over \$1500 and gross monthly income must be within the guidelines listed below. Households not receiving food stamps with no income will be required to fill out a self-declaration form prior to sign up date. DBDC will assure that persons who are working or commuting during the agencies typical business hours may apply for LIHEAP. Call 598-5127 for more information.
