1. Skills like a Nascar driver to maneuver through the parking lot.

Add your birth date, month and year to find your number. Simplify each number to one digit. For example: your birthday is October 7, 1984.
Add $7+10$ (October's number) = 17. $1+7=8$. $8+84$ (your birth year) = 92. $9+2=11$. $1+1=2$. Your number is 2.

Numerology

- 1 Focus on issues. Forgiveness is in future. Expect the unexpected. Life is tough on both sides of the relationship.
- 2 Relationships are shaky. Prepare to be questioned- answer all truthfully. Go easy on yourself.
- 3 Stress levels rise as personal life goes crazy. Just breathe. Planned vacation will work out perfectly.
- 4 Don't wear yourself too thin: pick one thing and focus on it. Your mood changes with the weather. Remain calm.
- 5 Work is imminent. Take up for your closest friends. Family issues will resolve. Take time for yourself.
- 6 Impatience and misunderstanding will knock you down. Look at situation. Be kind to others.
- 7 Newfound love will flourish. Patched up friendship will make all the difference. Wealth near.
- 8 Continue loving life. Insist on your dreams. Don't be afraid of anything. Don't be foolish, choose friends wisely.
- 9 Push through tough times. Happiness waits for you down the road. Find the heart to break news to others.
