

Job Quest participants recognized for outstanding academic performance

Job Quest participants, ages 14-21, in-school and out-of-school receive an array of services including paid work experience, participation in programs such as the Community Artist Residence Program, which consist of eight after school sessions and two leadership development Saturday's on Berea College Campus.

Students attend a business etiquette dinner at Boone Tavern in Berea. Job Quest coordinator, Kyle Rader, provides supportive services by monitoring participant's attendance, grades and assistance needed to successfully complete high school, a GED, training program, or occupational skills training. Supportive services are available such as assistance with childcare, transportation, or interview clothes.

Coordinator Kyle Rader recently presented participants Brandy Hasty and Jon Burdette a certificate and t-shirt for maintaining straight A's and

Edna Allen a certificate and t-shirt for maintaining A's and B's all during the first nine-week grading period.

Rockcastle County School District sponsors the Job Quest Program with funding provided by the U.S. Department of Labor through the Cumberland Workforce Investment Board, administered by the Lake Cumberland Area Development District, Inc. with Workforce Investment Act Title I monies; an equal opportunity employer/program and auxiliary aids and services available upon request to individuals with disabilities.

The school district received \$88,679.92 to serve in-school youth and \$23,699.07 to serve out-of-school youth during the 2001-2002 fiscal year.

The Secret to a Glorious Life

To walk hand in hand with the Savior,
To talk with Him often each day,
To give Him your life
because He gave you life
And sinners are saved
