Relay for Life meeting

It's time to start the planning for the 2003 American Cancer Society's Relay for Life. Last year, as the first Relay for Life in Rockcastle County, almost \$32,000 was raised. With everyone's help, we can raise even more money this year!

The next meeting will be on Thursday, January 16, 2003 at 6 p.m. in the community room (back lot) at Cumberland Valley Home Health. If you are interested in forming a team, want to be involved on a committee, or want to find out what this event is about, please plan to attend. Contact Kelly McClure at 256-4122 or Danielle Blanton at 256-4916 (work) or 758-4581 (home) for more information.

The American Cancer Society is

the nationwide, community-based, voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives and diminishing suffering from cancer through research, education advocacy and service. The Relay for Life event is an important fundraiser to reach these goals. The Relay for Life involves relay teams who take turns walking, running or strolling around a track. A party atmosphere prevails among team members camping out on the surrounding grounds during the overnight event (usually 7 p.m. to 7 a.m.). It creates a unique sense of a community of people fight for a common goal—eliminating cancer.
