Earn scholarships for good grades

The Kentucky Educational Excellence Scholarship (KEES) is a great way for high school students to earn scholarships for college or technical training.

Kentucky students who attend certified Kentucky high schools can earn a KEES award based on their grade point average (GPA) for each year of high school and a bonus award based on the highest ACT composite score (or equivalent SAT score) they earn before graduation.

To qualify for a base award, students must have at least a 2.5 GPA for at least one year of high school. To qualify for a bonus award, students must have earned six or more base awards and score 15 or above on the ACT (or equivalent score on the SAT).

Scholarship amounts range from \$125 for a 2.5 GPA to \$500 for a 4.0

or higher GPA. Bonus awards range from \$35 for an ACT score of 15 to \$500 for a 28 or above. The scholarship can be used for up to four years for most programs of study at participating postsecondary schools, as long as the student keeps up his or her grades. Students must begin using the awards within five years of high school graduation.

Students do not apply for the scholarships. The Kentucky Higher Education Assistance Authority (KHEAA) will send them letters each year, telling them how much they have earned, based on data submitted by their school district to the Kentucky Department of Education.

KHEAA is the state agency that administers scholarships, grants, work-study, savings, and Federal Family Education Loans and provides free financial aid information to students and parents. For complete details about KEES, visit

www.kheaa.com; call (800) 928-8926, extension 7397; e-mail kees@kheaa.com; or write to KHEAA, 1050 US Highway 127 S., Frankfort, Ky. 40601-4323.
