"What Saith the Scriptures"

Today we would like to study from an Old Testament story back in Genesis 37. You remember from the story that Joseph was sold into slavery by his brothers, thus they had to tell their father something about Joseph. In verses 31-34, "And they took Joseph's coat, and killed a kid of the goats, and dipped the coat in the blood; and they sent the coat of many colors, and they brought it to their father; and said, This have we found: know now whether it be thy son's coat or no. And he knew it, and said, It is my son's coat; an evil beast hath devoured him: Joseph is without doubt rent in pieces. And Jacob rent his clothes, and put sackcloth upon his loins, and mourned for his son many days." Now this illustrates for us a very important principle we want to notice. The passage says that Jacob mourned for his son many days. If someone asked Jacob if he felt that his son was dead, would you think his answer would have been? Of course he would say that he felt that his son was dead. Were his feelings accurate in this matter? Did his feelings make his son dead? Or can we see an important lesson here? Yes, Jacob received some misinformation and his feelings were misdirected. I do not believe that Jacob could have felt any more sadness if his son was truly dead. But beloved, we need to see that feelings can be mislead. We have lots of folks today who feel that they are saved. They feel that they have been forgiven by God. If you ask how they know that they have been forgiven, they will say they feel it in their heart. But the problem is that they have not obeyed what the Lord has said for a person to do to be saved. They have been given misinformation, as like Jacob, and their feelings are misdirected. We are saved when we obey from the heart what the Lord teaches us to do to be saved, and then the feelings of joy will follow. Cf. A.3:35-39. It's facts, faith, and then feelings.

Cards of Thanks

Thank You
I would like to thank each and everyone who assisted me in any way during my recent misfortune of fracturing my femur.

A special thanks to Pine Hill Holiness Church and congregation; Bro. and Sister Alvin Robinson, evangelist; Bro. and Sister Allen Hensley, my pastor; the Rockcastle County Ambulance Service; the emergency room staff at Rockcastle County Hospital; God bless Judy Brock, R.N.; the x-ray department; co-workers and friends; the churches of Rockcastle County that are praying for me.

I didn't realize I had so many friends and so many praying brothers and sisters.

I also want to thank those who visited us in the UK hospital and at home, the staff at UK and for the cards and food.

I could go on and on but most of all, I thank God for being with me. The joy we felt when we received the good report about my leg.

I hope I haven't forgotten anyone. God knows what you have done. Please keep us in your prayers.

Bless my daughter who reminded me, at that time, that she needed to be my nurse as well as my daughter. And God bless little Nikk, who prays for his Mamaw all the time.

Bless you all,
Barbara Collins and Family

In Loving Memory

In Loving Memory of Bonnie Rader
My heart is filled with sadness. My eyes are filled with tears. My mind is filled with memories. Of all those wonderful years.

It's going on eight years now. Since our loss and Heaven's gain. We knew the day was coming. But we just weren't ready for the pain.

Now when I look at pictures. It brings a smile to my face and tears to my eyes.

I miss our days spent together. We had so many happy times.

I know that now you're happy. Though I miss you every day. It makes me glad to know. Your pain and suffering have gone away.

I know I'll see you again. When my life on earth is through. Because the one and only daddy I've ever known is you.
