I'm controlling my diabetes so I'll be around for my grandchildren.

Controlling diabetes makes a huge difference.

I know I'm controlling my diabetes because I keep track of my blood sugar numbers. I manage my diabetes by watching what I eat, making time for regular physical activity, and taking my medicine as prescribed.

With my diabetes under control, I feel a lot better and have more energy. Best of all, I'm going to be around for my family... for life.

Call 1-800-438-5383, to learn more. Or visit us at our website: <http://ndep.nih.gov>.
