Magistrate Billy McKinney told the court he felt a moratorium should be placed on any new permits for garbage hauling, unless some of the present servers quit, since "every part of the county has coverage." The matter was tabled however after County Attorney Burdette told the court that a moratorium had al-ready been put into place and needed to be looked at to see if it were still in place.

Jailer James Miller told the court that 590,000 was available from the jail's commissary fund and he was offering it to help pay some of the jail's expenses. "I would like to use the funds to provide some relief to the county for the jail operation." Miller said.

Carloftis told the court that the funds could not be used for anything the jail had to have to operate but could be used on things benefiting immates and the work release program.

Cont. to A-9

Rockeastle County School Su-perintendent Larry Hammood said that he now has to notify the Ken-tucky Department of Education of Stallsworth's resignation and that they will begin the process of ap-pointing someone to replace him. Those interested must apply to the state and they will conduct inter-

the state and usey with the views.

In the November General Election will be held to fill Stallsworth's unexpired term, which is three years.

The filing deadline for the election is August 12th and candidates will be required to be at least 24.
