Buzz Carloftis and magistrates Bill McKinney, David Gibbs and William Denney also attended the 150 minute

meeting.

At times the discussion became very heated, but in the end an agreement was reached which will apparently provider rural fire protection to all areas of Brochhead.

Last year the Brochhead Rural Fire Department purchased, the former Robbin's Muffler Shop building on Hwy. 70 with intentions of making it a substation from which to high fires is he western part of the county easier.

But since then the Brochhead Rural fire department and the city of Brochhead's fire department which used to be one department have had their problems.

They have since split up equipment, money and trucks and many firefighters who served on both departments have quit.

partments have quit.

Monday night's council meeting turned into a discussion simply about fire protection and who was going to

fire protection and wno me protect who.

Dealve Bussell and his wife Mary who live just outside the city limits of Brodhead on the Crab Orchard side of Hwy. 150 were among the first to ask questions.

Mr. Bussell asked who would come to his house in case of a fire.

He was told that the Brodhead of the Arman Crab Market Ma

He was told that the Broahead Rural fire department would come from Quail, through main street in Broahead past the city fire house,

Baisell, who is the former water superintendent for the city of Brodhead said that the thought it was not wise that a fire truck would have too come from Qualit to his, home it was on fire, when the eity had truck in the city fire-frouse that could be to Jijs home in much lesser time. Eugene Taylor and his two sons, Steve and Tim, who own E.S.T. Tools, a tool and die factory on Play-150 were also very vocal about the

Autopsy results confirmed that he yictim's hands had been severe from the rest of her body in an apparent attempt to conceal her identity.

Fiscal court opens bids on bridge over Roundstone Creek

Only one bid was submitted for a new single-span bridge over Roundstone Creek, just north of Roundstone School on the Homer

The court opened the hid, from N&N Confracting, Inc., at a special called meeting Friday afternoon. The bid contained costs for three ways of constructing the bridge. For a 20 ft, wide, 42 ft, long bridge of precast, concrete, the bid was 86,700. For an 18 ft, wide bridge, also precast concrete, the bid was \$59,650 and for a 20 ft, wide, also precast concrete, the bid was \$59,650 and for a 20 ft, wide bridge built with steel I-beams, the bid was \$63,400. built with \$63,400.

\$63,400. Magistrate Billy McKinney noted that the bridge needed to be out of precast concrete since the beams, would need regular maintenance.

The court accepted the bid, with the method of building to be determined later, contingent on harding between the court accepted the bed to be the bed to be

vice to the county and that she would be greatly missed:

The court also approved a waste hauler permit for Waste Manage-ment, Inc. who had incorrectly filled out their application and could not be approved at the regular meeting of the court this month.
