

The Rockcastle 8-year-old All Stars completed a successful 19-6 tournament season with two second and two third place finishes. Members of the team were, front row, from left: Bryson Amyx, Jacob Lawson, Justin Bowman, Brandon Stewart and Damien McDaniel. Second row: T.J. Russell, Eli Haddix, R.J. Smith, Tommy Shafer, Chris Wren and Sarah Martin. Back row: Batby Toy Holman, Glen Smith, Don Roberts and Howard Haddix. Not shown, Jacob Russell, player and Tommy Hodges, coach and Kevin Russell, coach.

8-year-old all-stars finish post-season at 19-6

Rockcastle's 8-year-old all stars have completed a summer of baseball with a 19-6 record. They competed in four tournaments with two second place and two

third place finishes. All six losses came to eventual tourney winners. In their own tournament, the Rockcastle Invitational, they lost the title in a hard-fought game against

Mercer County 14-13, after coming back from an 8-2 deficit in the 4th. The coaches would like to thank all the parents for the sacrifices they have made this season. Also a special thank you to all the volunteers who gave of their time for field maintenance, scorekeeping, trash pick-up, umpiring and all the other things needed to make a successful tournament and season.

Win at Eagles Nest to finish summer 6-1

Dolphins slowed by pool of Piranhas

Rockcastle native and RCHS grad, Albert York, who taught and coached at Union College during the decade of the 1980's helped start and grow the Knox County swim team. This team, along with Cedar Rapids, helped start the Lake Cumberland Swim Association in the late 80's. Prior to that, Cedar Rapids had competed in the Central Kentucky Swim Association against strongholds at Idlehour, Arlington, Spindle Top and others. Many of the parents of this year's team swim during that era.

From the beginning of the LCSA, Knox County has been a dominant force, winning or finishing at runner-up almost each year. One of the reasons is in the number of swimmers. Knox almost always has the largest team, drawing swimmers from several counties in Southeastern Kentucky. This year's team is no exception, numbering over 100 swimmers. Such was the case last Tuesday night at Cedar Rapids pool. Although Knox County was only able to bring 35 of their team, the Dolphins were still outnumbered 3 to 2.

In a weather-shortened meet, the Dolphins lost their only regular season meet to the Piranhas. Piranhas are known for their swarming ability to defeat an enemy and they used it to perfection. They swept the medley relays to set the stage for the win. The meet was called after completion of the backstroke events with Cedar Rapids trailing by 10 points, 40-30. Coach Andrew Hammond, however, was encouraged with his team's performance. The day began with some really bad news when he was informed that one of his best swimmers, Cody Alexander, had suffered a torn hamstring and would not be available for the meet. Despite his absence, and not being able to get to

the breaststroke events, which have been the Dolphins' strength this year, the team still only lost by a few points. Cody is hoping to be able to

Swim Lessons available

Swim lessons will be given at Cedar Rapids Country Club August 11-14 and 18-21 from 5 to 6 p.m. Instructors will be Lauren Clonier and Heather Hammond, certified lifeguards. Call 606-256-4112. Maximum enrollment will be 20.

50 breaststroke

The LCSA conference meet begins at 10 a.m. this Saturday, August 2 at the Russell Springs city pool. Finals will be Sunday, August 3, beginning at 1:30 EDT. The Lake-wood Marlins (Russell County) have dominated the past two meets to win back-to-back championships, however, with the return of Eagles Nest and the growth of Russell Springs and Laurel County add three really strong teams in Lakewood, Knox County and Cedar Rapids, this could be one of the most competitive meets in LCSA history. Western Kentucky University head swim coach, Bill Powell, will be on hand to conduct the meet.
