

At Relay for Life August 1

Hospital has five teams to walk in fight against Cancer

This year the hospital, and its affiliates, expanded from two teams to five organized teams in their walk against cancer. The hospital has two teams, "Healing Hearts,"

captained by Ginger Cash and "Mash," captain Traci Bullens. Rockcastle Medical Arts Building is represented by "Angry Americans," captain Stephanie Dick. Rockcastle

Health and Rehabilitation Center in Brookhead has two teams, "Superstars," captain Natalie Albright and "Shining Stars," captain Beverly Morgan.

In addition to individual donations, the teams have hosted community yard sales, bake sales, gospel singing, organizational pot luck dinners and dressing in denim for charity. Relay for Life is the signature fund-raising event for American Cancer

Society. It affords an opportunity for a community to come together for a common cause, to honor and celebrate survivors of cancer and honor and remember those who have lost their lives to the disease.

These healthcare team members know all too well the impact cancer has on people in this community. While many have been personally touched by cancer, all have professionally connected with cancer patients throughout their careers.

The largest healthcare provider in the county, Rockcastle Hospital and Respiratory Care Center, Inc. and affiliates are proud to partner with this community in the fight against cancer. The organization is also proud of these teams and their fundraising efforts to help the residents of Rockcastle County.

Several other teams to take part Mt. Vernon's First Baptist to participate in Relay for Life this weekend

Submitted,

Last year, the thought of raising \$1,000 to have a Relay for Life team seemed out of reach for Marnatha Sunday School Class of Mt. Vernon First Baptist Church. After it hit home last fall, with a member of the class being diagnosed with breast cancer, we decided to take the challenge.

With faith in our Awesome God and a loving and giving church family, we were able to extend the Sunday School class project to include the entire church. Within only two weeks, we were able to raise over \$2,700. We feel this is only the beginning and hope to surpass this amount next year.

Cancer is a disease that has affected everyone in some way. Either you have had cancer or a family member or a friend. This is a worthy organization which needs everyone's help. Your donations to American Cancer Society can and will make a difference!

If you are a cancer survivor, we invite you to attend the Survivor Dinner that will be held in your honor Friday, August 1 from 5 to 6:30 p.m. For more information, or to RSVP, please contact Natalie Taylor at 256-1316. Luncheon in memory and in honor of cancer victims will continue to be sold through Friday night for \$5 each.

We also would like to invite everyone to come on out and walk with us around the track at 7 p.m. If you are affiliated with First Baptist Church, please wear your red shirts!

Flat Rock Baptist deeply involved in Relay for Life

Flat Rock Baptist Church will have two teams participating in the Relay for Life. The church has cancer survivors in their family and several members have lost their lives to cancer.

Flat Rock has several planned activities at their campsite including basketball shoot-out for adults and children, bowling, target throwing, golf putting. There will prizes given to winners. The ladies of the church are also planning to bring all kinds

of cakes for a fundraising cakewalk. Please come out and show your support as Flat Rock Baptist Church rallies with the other teams to celebrate and remember those touched by this disease as well as raise funds for the American Cancer Society.

We need you to participate in the events planned at the different campsites on August 1, 2003. So bring some money and join the fun!

The Relay for Life begins at 7:00 p.m. and runs through 7:00 a.m.

"Relay for Life" Cont. from Front
