Dear Editor,

I would like to express my deepest gratitude to my team, The Dream Team, for all their hard work and dedication toward this year's Relay for Life!

Friends are a precious thing to have, and especially those who go that extra mile along with you. Thank you is not enough for all the help and support I have been given by each of these wonderful people.

Kelly McClure,

RFL Volunteer Chairperson

Dear Editor,

I'm writing you to publicly apologize for litter that was thrown out of my car. Even though I was not the one who threw it out, I still took the responsibility because the passenger was riding in my vehicle, and she did.

I don't think people realize how important it is to keep trash off the roadside. I keep a plastic bag in my car to catch all the excess car litter. I try to tell my kids not to throw out their cans or paper litter - hoping that

they realize once their parent or parents are gone that this land belongs to them and other children. If the pop cans and trash keep building up, their world will never be clean.

Please look around on the roadside and the next time, think twice about throwing your pop cans, styrofoam cups or even your fast food bags out. There's always a trash can somewhere.

"It is Written"

In Prov 13:3 NKJ we read, "He who guards his mouth preserves his life; but he who opens wide his lips shall have destruction." May we consider the thoughts of this verse of scripture for a few moments.

Notice the text tells us that we need to guard our mouths! Our mouth can get so easily out of control if we do not keep a check on it. Listen to what James said in James 1:19, "Wherefore, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath." Being slow to speak is sound advice for all of us to consider. It seems that we do too often is to be very quick to speak, very slow to listen, and quick to fly off the handle in anger.

Notice our text also tells us that the man who will guard his mouth, will preserve his life. Jesus tells us in Matthew 12:37, "For by thy words thou shalt be justified, and by thy words thou shalt be condemned." Our tongues can be used in a very constructive, helpful, worthwhile way or it can be used in a hurtful, annoying, and harmful way.

Finally, let's take note of the last phrase in our text, that if we open wide our lips, it will bring destruction our way. When we speak unadvisedly with our lips, it can bring harm and hurt to others; but it will hurt us the worst, for it will bring spiritual destruction and condemnation upon us. "by thy words thou shalt be condemned"
