"We will not be undersold"

In Remembrance of Helen Joan Lamb Born Aug. 27-1931 Died July 15, 2003 Written by our loving mother who lived forever in our hearts and who is very sadly missed.

Photo given by her daughter Anita K. Bradley

I lived on this earth.

If I should return to it why would you mourn?

I will rest in my earth till Jesus bids me to arise. And live again as he did.

Do not cry for me as I had a long time here on earth to love and to be loved by all of my children.

But don't waste a moment by grieving for me, because we are here today and whose to say about tomorrow.

Will you be here? And ready to go? Beware there is a time and place to be till Jesus calls us away from this earth to let us rest for a time till he's ready for us. Then we will arise from our earth to be in his world and a new earth.

So with all this do not cry because I will return once more.

Mom

As I go this day; think good thoughts of me.

Never bad ones because you will also be going someday.

Are you ready to take that last trip on this earth and who will cry and pray for you?

Look around you today and say the Lord God gives and takes as he sees fit to do.

So be ready and hold your hand

out to him and he will help you through this day.

Love Mommy- Momma, we just wanted to say how very much we miss you and to say we all love you so very much. And our days are so very long and empty without you here. Although

we know you are in a much better place.

Happy birthday Mom Anita, Linda, Margaret, Lora, Darrell, Danny, Gary, Rose, Bertie, all your grandchildren and 6 grandchildren. We love you Grandma.

They Focus on Life

You're never ready to lose someone you love. But Hospice can help you live life to its fullest. They take care of everything... John's care, his pain, his comfort. They helped at both through the worst of it and let us focus on being together and loving each other right to the end. Our doctor, Hospice volunteers... Hospice nurses... they let us focus on life. God bless 'em.
