

Mark's Hardware

Small businesses in the United States are the backbone of our economy. Besides providing much needed goods and services, they also provide employment opportunities—which are a must in small rural counties such as Rockcastle. But small businesses don't run themselves, it takes a lot of hard work and determination and it takes people like Mark and Susan Hopkins who have recently purchased Burdette's Hardware, which is located on Bowling Ridge Road, just out of Brodhead.

We applaud the efforts of business people like Mark and Susan and wish them and their family the best of luck in their business venture. Mark's Hardware carries a complete line of hardware items, paint, among other numerous items. When you need something and don't want to spend a long time driving, stop by Mike's Hardware. Mark's is open Monday through Saturday 8 a.m. to 5 p.m.. Their phone number is (606) 758-8435.
