Small businesses in the United States are the backbone of our economy. Besides providing much needed goods and services, they also provide employment opportunities—which are a must in small rural communities such as Rockcastle. But small businesses don't run themselves, it takes a lot of hard work and determination and it takes people like David and Wendy Collins who have been in the Respiratory Care business for ten years.

Collins' Respiratory Care is located on Main Street in Brodhead and open Monday through Friday, 9 a.m. to 5 p.m.. They carry a complete line of medical equipment and supplies and they also have a Respiratory Care Pharmacy next door. Collins' Respiratory also provides 24 hour emergency service. Their phone number is (606) 758-9333.
