Forward in the Fifth presents mini-grants

Forty elementary schools in Local Labor Market Area #16 have received grants to implement a "What I Want to Be When I Grow Up" day at their schools. Forward in the Fifth awarded these grants through its School-to-Work program to teachers who plan this career awareness day at the end of October. It gives young students the opportunity to come to school dressed as the sort of worker they would like to be when they grow up.

Rockcastle teachers receiving the grant include Beth Jones, Rita Shaffer and Karen Powell, all of Broadhead Elementary.

Listen to WRVK and read the Signal for more information regarding yearbooks.

The ACT test will be given at RCHS Saturday, October 25 starting at 8:00 a.m.

The opera "La Bohème" will be presented to the student body. Grades 9 and 12 will go to the auditorium at 9:00 a.m., grades 10 and 11 will go at 1:20.

We still have several students who are behind on their immunizations and physicals required to attend school. Letters have been mailed out to the parents of those involved. Please help us to keep your child's immunizations up to date.

Don't forget to set those clocks back Saturday, the 25th, before you go to bed.

October 20-24 is

Make-a-Difference Week
Broadhead Elementary is collecting "change for change." This time of year is known for a time of change: time to change clocks back, change smoke detector batteries and change to warmer clothing. This year for "Make a Difference Week," BES students are asked to help their classmates when a change of clothing at school is necessary.

In conjunction with the Broadhead Family Resource Center, primary students are asked to bring in a package of new underwear (boys or girls, size 4-16) and intermediate students are asked to bring in "essentials" (boys or girls size 5-6/14-16). In addition, all students are asked to donate extra change to help the BFRC purchase tennis shoes to have on hand for those who may need them for gym.

Please send your donations anytime between October 20-24 and help BFRC make a change easier for everyone.

On Wednesday, October 15, Lisa Smithers, a nurse from Rockcastle Hospital, came to BES to give influenza vaccines to staff members. Several members of the staff took advantage of this opportunity.

This week is National School Bus Safety Week. BES PTA recognized their bus drivers this week. They do a wonderful job transporting our precious cargo and we greatly appreciate them.

To raise school bus safety aware-

ness, materials were sent home with students to emphasize the importance of following the rules. Be cool—follow these rules:

1. Be on time. 2. Never run or out from the bus. 3. Stand back from the curb. 4. Don't push or shove. 5. Stay in your seat. 6. Don't yell or shout. 7. Always obey the driver. 8. Wait for the driver's signal before crossing. 9. Always cross at least 10 feet in front of the bus and 10. Never crawl under a bus.

In Ms. Jenise Coffey's Counselor's Corner, the following students were recognized: Eric Simpson, Ricki Jean Lay, Faith Sayler, Lauren Gregory, Casey Thompson, Shalynn Winkler, Jacob McKinney, Caleb Dillingham, Hannah Shelton, Dylan-Hensley, Crystal Reddington, Jordan Johnson, Jon Paul Kidwell, Chase McGuire,

Elizabeth Hering, Kenton Adams and Faye Sayler. These students were noticed for their good manners. They were respectful and thoughtful to others. Way to go kids!

We will be collecting used eyeglasses and prescription sunglasses until October 31st. Please help BES PTA with this project and send in your old glasses.

Parent/teacher conferences are set for Thursday, October 30th. The fall festival is on the same day. Volunteers are needed!

The Crusaders will be at BES on Friday, October 31 at 1 p.m.

Printed below is a facsimile of the ballot which will be used in the East Livingston and West Livingston precincts in the General Election in Rockcastle County on Tuesday, November 4th.
