

Ashley Cottrell, Broadhead Queen, has announced that Broadhead's Business of the Month for October is Earl's This and That. Therefore it is located on Main Street in Broadhead. It has a wide variety of items including antiques. According to Cottrell, "A person could find just about anything here. I could spend hours just looking around!" Shown is the Queen presenting Lee Earl Adams, owner of Earl's This and That, with the award. For more information, please visit the Queen's website at <http://hometqm.aol.com/broadheadqueen>

Words of Hope

This week we will entertain many little ghosts and goblins that will come to our doorstep. We will playfully act afraid and then hand out a treat. However, fear is not something to laugh about. Fearful thoughts can paralyze our lives. 1 Timothy 1:7 declares, "God has not given us the spirit of fear, but of power, and of love, and of sound mind." Try to ask God for help in overcoming fearful thoughts.

—A message of hope from your friends at
Mt. Vernon Pentecostal Church

Today's Children are Tomorrow's Leaders

Dear Voters of District #1:

Hello! My name is Angela Stallworth and I am running for the vacant seat of the Rockcastle County School Board. I was raised here in Rockcastle County and I am very proud to say it. I love the people here in our county and I would love the opportunity to serve them on our School Board. The future of our County, State and Nation all depends on our children. "Today's Children are Tomorrow's Leaders." Every child deserves a good education and I promise to always work hard to see that each child gets one. Regardless of where they come from, background, race or sex. I want every child to feel equal to their peers. It is our job as adults to establish high self esteem in our children's lives so that they can set goals and go out and reach them.

I feel I would make a good School Board Member for several reasons:

1. I have a listening ear.
2. I'm not afraid to voice my opinion, but, most of all I love our children.

I have two beautiful children. Their names are Samarah and Sierra and they are the center of my life. They already know that I think they will be the first two sisters to become President and Vice President of the United States, but, regardless of what they choose to do in their lives they know they will have my full support.

I would appreciate your vote and support on November 4th. My name is 2nd on the Ballot. Please feel free to contact me if you have any questions.

May God bless you and your family.

Sincerely Thanks,
Angela Lovins Stallworth

"Letters"

(Cont. from A-2)

candidate, Ben Chandler, offers only the vagueness and scandal of the past 30 years.

The people attacking Ernie Fletcher are the same tired, old names that we've seen over and over again. For too many years, the same names have just moved from office to office in Frankfort while the state has sunk lower and lower.

Congressman Fletcher's opposition can tell us he's not part of the same old crowd, but how is that so since he's spent the past 12 years in Frankfort riding the hell from Paul Patton and the rest of his bunch? Frankfort is full of scandal! Take the transportation department for example; it was found that its employees had been using their office hours and department computers to look at pornography. How did they respond? By assuring the public it was ONLY 10 or so cases of CHILD Pornography. That's disgraceful, absolutely disgraceful! What is Ben Chandler going to do about it if elected? He is going to let the people stay there until they retire. Those same people who have caused Frankfort to go into an era of corruption. If something is broke, we should fix it. Our state government is indeed broke in more than one sense. We now have a chance to fix it. We must vote Ernie Fletcher if we want things in Frankfort to improve.

My fellow citizen, let's join together to restore faith state government by electing someone who brings honor and dignity to the office. On Election Day, let's fulfill our duty as Americans to elect the best candidate. Let's elect Ernie Fletcher for Governor.

Sincerely,
Jessica Lynne Lunsford

Dear Editor,
Last Friday, October 26th at 1:00pm two ladies from Michigan stopped at the Shell Station at Exit 59 in Mt. Vernon, Ky, where our car was stolen.

A Sheriff Deputy came and took down the information about the incident and told us to call Clonny which was clear up in Michigan to come and get us which is hours away. He never offered us a ride to a location where we could get help or anything else. It took us five hours to get help calling everything the workers in the Shell Station knew to call.

Finally, we asked for the State Police number and he gave us the RTEC number and they sent a very nice lady to pick us up and take us to the airport in Lexington where we could rent a car to get home.

We just felt that we should have been given a little more consideration and assistance in this matter. Two ladies far from home with nothing but the clothes on our back and our purses at least we deserved a return call or visit to see if we got out of this town and safely on our way home but

in five hours no one checked on us at all.

We hope others will get better service from the Sheriff Department in Mt. Vernon than we did. We know we didn't do everything right but we would have appreciated a little more help.

Gail Dobyns and Judy DeShane
Muskegon, Michigan

Dear Editor,

I would like to tell you what I know about Angela Stallworth. I know about her all her life. She is a hard-working person and has worked with the Livingston Homecoming committee for several years and always does a great job.

Angela is a person that when there is a vote to be taken, she is not afraid to vote the way she feels. She is a very good speaker and a good listener.

I think she will make an excellent school board member.

So, on November 4th, I will vote for Angela Stallworth for school board member from Division 1 and I ask all of you to consider doing the same.

Thank you,
Dell Ponder

Dear Editor,

My name is Danny Hurley and, on June 14th of this year, I found out I had a degenerative disc disease and a torn disc that was consistent with muscular spasms.

After seeing a neurologist in Somerset, I found that I didn't need surgery but medication and therapy. I went to Rockcastle Hospital and Respiratory Care Center and lumbar physical therapy was prescribed for me, consisting of traction, passive and active exercise, massage, ultrasound and heat.

After getting to the Physical Therapy department, located in the basement of the Medical Arts Building, I met several people that were nice, friendly, knowledgeable and who cared for their patients.

I was in therapy for six weeks. While there, I gained a lot of respect for everyone there. It is good to know we have people right here at home that can give you the best care you would receive anywhere.

After therapy was over, I got even better news. They gave me a one month free membership in the Fitness Center and after that, it is just \$10 a month to keep in shape.

Since this is Physical Therapy Month, I would like to say "Thank You" to everyone who works in the Physical Therapy Department at Rockcastle Hospital. It is great knowing we have all of you working here at home.

A special thanks to the two men who, worked with me the most, Nathan Holbrook, P.T. and Nick Bastin, P.T.A.

Thanks guys for all your help and everyone who works there: Steven Cox, P.T. director, Rachel Haynes, M.P.T., Stephanie Dick, P.T.A., Sheila Hainey, P.T.A. and Jeremy Cook, P.T.A.

Thanks again,
Danny Hurley

Dear Editor,

We again, need help from the people of Rockcastle county.

In the past, when we asked for food, furniture and clothing to give to the less fortunate, people gave.

Now, we need your help again. Rock of Ages Mission needs turkeys and/or hams to fill Christmas baskets. We have a large list of families in this year. We will accept Wal-Mart gift certificates if this is preferred by anyone. We also need toys for children, infants - 12 years old. Used toys will be accepted if they are in good shape.

Maybe some businesses or churches would like to help. We feed several families monthly. Many people were so happy to get food, they cried. I told them that the public are the ones who gave so that they

could eat.

You cannot imagine just how many people you did help feed and clothes to mention those who received furniture and other items.

May God bless all of you who cared and shared.

Thank you from all of us at Rock of Ages Mission. Please call 758-4203 or fax 758-8546.

Sincerely,
Kathy Bretz
P.O. Box 490

Dear Editor,

My name is William E. Lamb, Chairman of A Food Pantry, located in the Conway area of Rockcastle County called God's Meal Barrel.

God's Meal Barrel has been established by the Lord Jesus Christ to feed the hungry low-income residents of this county, both physically as well as spiritually.

We need cash donations from the public that will enable us to provide a Christmas basket for approximately 190 families this Christmas.

Right now, we are unable to receive any more clients until after the first of the year so we can concentrate on Christmas baskets for the clients we have now.

I'd appreciate it if you could put this in your paper because we certainly need financial help from the public.

God's Meal-Barrel is a tax-exempt organization and all donations will be tax deductible. For more information, call me at 606-256-5021 or 256-0230.

Jesus Blesses you!
William E. Lamb, Chairman
God's Meal Barrel

"Points East"

(Cont. from A-2)

parted Laurel Lake but not before Fred insisted that our cove would be forfeited the know as Lost Lantern Lagoon. I even made a half hearted attempt to have it officially so recognized on maps of the lake but most readers of this column know how much affection politicians have for me.

In any event we left the lake knowing that we had to make the outing a regular event and promising to be back in two years. In the interim Fred suggested we invite Dave Schroeder, another former colleague who had moved to South Dakota and whom we believed to be a former Navy Seal to join the expedition and give us serious diving talent. Returning to have fun and enjoy camaraderie became secondary to finding the Lost Lantern. To make a long story short, Tom flew in from Kenya (Africa), Dave from South Dakota, Fred from Allenmyer, IA to join Steve and me and off we sailed.

Fred arrived with magnets capable of lifting 25 pounds of iron. We had grappling hooks and several sets of treble hooks designed to hold bait for great white sharks. We actually found some snorkeling gear at the Marina. Both Tom and Dave spent hours in 24 feet water, on the bottom,

feeling around and placing the magnets so that the rest of us could slowly drag them across the ground. After a day and a half of diligent effort, we concluded that the lantern simply was not there. Theories as to what might have happened to it would fill a book. Suffice it to say, just heartbreakingly, the day because we had honestly left Holly Bay Marina believing that with the tools and talent we had on board, we would also have the lantern displayed like a trophy or a memento on our boat. Ultimately it would wind up bronzed to occupy a cherished spot on the mantle in Fred's living room and just beneath his old hog statue.

And so, last Spring we began planning our third expedition, three years since the search. Only Tom and I professed any hope of finding the lantern seven years after the fact and Fred even threatened to cancel his reservation if any attempt was made to find it. So, on Friday afternoon, October 17, Tom, Dave and I pulled out of Holly Bay with plans for me, to run my boat back in and pick up Steve, who had pressing business and could not join us until Saturday morning. Still on Friday night the last seven years after the fact and Fred even threatened to cancel his reservation if any attempt was made to find it. So, on Friday afternoon, October 17, Tom, Dave and I pulled out of Holly Bay with plans for me, to run my boat back in and pick up Steve, who had pressing business and could not join us until Saturday morning.
