Suzanne Mills was the lucky winner of the Longbecker basket raffle. Thanks to everyone who bought tickets.

On Tuesday, October 21, BES's 5th grade students visited the "Wellness on Wheels" Wagon. The "WOW" wagon focuses on teaching students about wellness. During their visit, BES students learned about healthy eating, poison control and safety issues. They also learned the best way to stay well is to use preventive measures against diseases, accidents and other injuries. The fifth graders want to thank "WOW" wagon for the wonderful program.

The Change for Change program, sponsored by the ECU Ameri-corp program (Mrs. Sherry McKinney) and the Brodhead Family Resource Center raised \$45 in change last week. Students donated 27 pairs of girls underwear, six pairs of boys underwear and three pairs of sweat pants. Donations are always accepted and needed. If you want to help, please call Satia Morgan, BFRF director at 758-8512.

Some of Mrs. Kim's current and former students wrote about their favorite memory of her. These were compiled into a memory book and presented to the family. We would like to share some of those memories with our readers. Please take a moment to read and know that when you touch the life of a child, it leaves a lasting impression.

• Marvin Carpenter: She was always nice to me and when I needed help she came to me and helped me right away.

• Harley Riddle: She helped me when I struggled with my work at school. Also, she was very kind.

• Emily Roark: She petted me and she was really nice. She let me help check papers and put them in cubbies. I loved her. She took me and some other people to reading groups. And I think she loved me.

• Kaitlin Coffey: She was always nice, loving and caring. She was always nice to me and I know I'll always remember her.

• Kelsey Mattingly: She would let me check math papers and she was good to me. I miss her very much. I hope her family stays well without her. She was great.

• Ailana Cooper: She was so good to all of the kids at the school.

• Brittany Boring: Mrs. Kim was special to me. I would sit in the mean person's chair just to sit by her. She was my favorite teacher. She was good to us. She took us to gym and she helped us learn. Look us to lunch.

## Minds in the Middle

Robinson Scholar applications are now available to the eighth graders. Students are not eligible to apply if they have a parent with an eighth grade education. Applications will be picked up in Mrs. Cromer's office before class each morning or during break. Applications should be returned to her office by November 14th in order for her to complete them.

• Yearbooks are now on sale. The cost is \$23.00. Order forms and money should be turned into the homeroom teachers. Yearbook sales will end on November 5th.

All eighth graders took the ACT Explore test before Christmas. The purpose of the Explore is to identify strengths and weaknesses in the student in order to get them better focused for high school.

Parents request will be this Thursday. Students must have a note from parents requesting a retake.

This Friday, the students will enjoy a time of celebration for their assessment scores. They will be treated to popcorn and pop while watching the staff in a volleyball competition.

Congratulations to Blake Parsons who finished sixth out of 252 runners in state competition last Saturday. Andrew Pensol placed well at 50th and Devin Davidson also ran a strong race. For the girls' team, Bethany Clontz finished 27th and Kristen Baker placed 30th out of 220 runners.
