Library News

By Kathy McKibben

Last Friday October 31st the Rockcastle County Public Library hosted a Halloween Party in the children's area of the library. Approximately 50 children along with parents, grandparents and caregivers were in attendance. Games were played, prizes given, refreshments served, and treat bags handed out to each child as they left the library. Door prizes of special goodies for the children were passed out around every 15 minutes. From all appearances a good time was had by all.

All of the children looked so good in their costumes this year, we couldn't pick first, second and third place so we decided on three winners! Congratulations to Addison

Sydney Brown won the Ghost costume game.
