were prepared. A kitchem helper was assigned to the cooks for a hour before and after each meal.

After supper, time was spent as a group playing carsy games and enjoying each other's company. On Thursday injth, the group gathed company to the company of the company of the company of the company of the company and then returned to 'the heart' for a time of worship and reflection. going on a service project and work ing so hard. One of the girls brough up the cross my dad put on the roo of the church in the Dominican. So up the cross my dad pain the troof of the church in the Dominican. So we thought when we were done : ith or job we could make a cross and dedicate it to my dad. We talked to Mike about 1, and he liked the idea and thought why make a small cross cross that was 15' itall and 4' wide. We picked the perfect spot for it on te top of the mountain where the scenery was so amazing. You could even see a Church steeple in the distance. On, Thursday night after the men had put up the cross, we all gathered on top of the mountain and formed a big circle around the cross. There we sang songs, read some Bible passages and prayed. There were many tears that night adong with some laughter and reflection time. I had an awe-some time on this trip and

I hope to go back next year and look back on all the great work we did this week and hopefully get a lot more
