Registration for next ACT is January 2

The next national test date for the ACT Assessment is February 7, 2004. College-bound students should register by the January 2 postmark deadline. Late registration postmark deadline. Late registration postmark deadline is January 16 (an additional fee is required for late registration). Students can register online at http://

www.acc.org or they can get a registration packet from their high school guidance counciled raid registration by mail. The website also has sample test questions and a link to a free financial aid-calculator. ACT scores are accepted by virtually all colleges and universities in the nation. The test fee is \$25 cize? in Florida). Colleges use ACT scores,

along with a student's high school GPA and other information to help determine admissions and the appro-priate course placement for new stu-dents.

The ACT Assess The ACT Assessment is curricu-lum-based, designed to measure a student's academic athievement. There are four sections to the exam: English, reading, math and science. Students who have already taken the ACT can retest and try for a
