

OFFICIAL NOTICE

Jackson Energy Cooperative, with its principal office at McKee Kentucky and with its address at 115 Jackson Energy Lane, McKee, Kentucky 40447, has filed with the Kentucky Public Service Commission in Case No. 2013-00219 an application to adjust its retail rates and charges. The need for this adjustment is due to an increase in Jackson Energy’s expenses in the areas of wholesale power costs, interest, depreciation, and general operating expenses.

Jackson Energy is proposing to increase its rates over a three consecutive year period. Additionally, Jackson Energy is proposing to solely increase its customer charges and not to increase any demand or energy rates.

The rates contained in this notice are the rates proposed by Jackson Energy Cooperative but that the Kentucky Public Service Commission may order rates to be charged that differ from these proposed rates contained in this notice.

Any corporation, association, or person may within thirty (30) days after the initial publication or mailing of notice of the proposed rate changes, submit a written request to intervene to the Public Service Commission, 211 Sower Boulevard, P.O. Box 615, Frankfort, Kentucky 40602 that establishes the grounds for the request including the status and interest of the party, and states that intervention may be granted beyond the thirty (30) day period for good cause shown.

Written comments regarding the proposed rates may be submitted to the Public Service Commission by mail or through the Public Service Commission’s Web site at <http://psc.ky.gov/>.

Any person may examine the rate application and any other documents the utility has filed with the Public Service Commission at the offices of Jackson Energy listed below and on the utility’s Web site at www.jacksonenergy.com
