Money Tips for Students

Plan may help repaying federal student loans

Kentuckians who are having trouble repaying their federal student loans may want to check into the Pay As You Earn plan, according to the Kentucky Higher Education Assistance Authority (KHEAA).

The Pay As You Earn plan generally has the lowest monthly payments of all the repayment plans offered by the U.S. Department of Education (ED). It can be used by borrowers who have what ED calls a partial financial hardship. That means that the amount borrowers would pay under the standard 10-year repayment program is higher than what the borrower would pay under the Pay As You Earn plan.

Not everyone will qualify. Only three types of federal student loans are eligible:

- Federal Direct Stafford Loans.
- Federal Direct PLUS Loans made to graduate or professional students.
- Federal Direct Consolidation Loans that do not include a Federal PLUS Loan made to a parent.

In addition, borrowers must have received one of those loans after Sept. 30, 2011. Borrowers who are repaying loans received before Oct. 1, 2007, are not eligible.

Loans received through the Federal Family Education Loan Program cannot be repaid under the Pay As You Earn plan. However, they will be used to decide if borrowers have a partial financial hardship.

Borrowers who make 20 years of payments under the Pay As You Earn plan will have the rest of their eligible loans forgiven. They may be required to pay taxes on the amount that is forgiven.

For more information about Pay As You Earn, visit www.ed.gov and click on "Student loans, forgiveness" under the "How Do I Find ...?" link in the menu at right.

To learn how to plan and prepare for higher education, go to www.gotocollege.ky.gov. For more information about Kentucky scholarships and grants, visit www.kheaa.com; write KHEAA, P.O. Box 798, Frankfort, KY 40602; or call 800-928-8926, ext. 6-7372.

It is important to honor those who died on September 11th and to thank those first responders -- police officers, firefighters and emergency Medical Service Technicians who continue to protect our communities. Every year, since that tragic day in 2001, employees of Cash Express across the nation have visited first responders in early September to make a simple, yet thoughtful, gesture -- they deliver cakes to police and fire stations and EMS personnel. Cash Express is simply doing what many Americans feel on 9/11, a sense of thanks and respect for first responders. The tragic events on this day, unfortunately, remind us that life can be too short so we must say thanks and express gratitude every chance we get.
